## CRUISER 791 RL SUV 4x4

# SUV FOR LIVING

Finally, a sport utility vehicle that deserves the name and perfectly combines adventure with luxury. At Concorde, the Cruiser is a symbol for active holidaymakers. The Cruiser 791 RL SUV 4x4 underlines the character of the individualists who do not want to forgo comfort yet would still like to expand their travel destinations.

The all-wheel drive variant embodies everything that Concorde stands for: outstanding quality in contemporary design with high utility value and functionality. AGILITY REDEFINED.

# THE WORLD IS **A BOOK**

and those who do not travel read only one page. That is according to Saint Augustine, who certainly also meant that those who do not eat meals customary for the country they are presently in read only half the book. This kitchen has enough space for all of the exotic spices and ingredients of a regional menu and enough workspace to prepare it as well. Thus, you can read the whole book and get to know the world.
